

PILOTS

Partnerships International in Teacher Education through Online-Tandem Seminars

Partnerschaften International im Lehramt durch Online-Tandem-Seminare

A project of the Centre of Teacher Education and Educational Research at the University of Jena

Gain intercultural experience – Change your perspective

Co-teaching seminar sessions with lecturers and students at the University of Jena and international universities

PILOTS OFFERS

- Structural and organizational support in partner matching and planning of the joint seminar sessions
- Assistance during the course, e.g., installation of virtual rooms on digital platforms
- Scientific evaluation of the seminars
- Certificate of participation

START

October 2022 (Winter term in Germany)

MORE INFORMATION

<https://www.zlb.uni-jena.de/en/pilots-en>

INTERNATIONAL

- Innovative and interdisciplinary contents
- Experience exchange with international students and lecturers from home

DIGITAL

- Work with new digital tools
- Experience different teaching and learning

COOPERATIVE

- Work collaboratively with people from other countries on joint projects
- Change your perspective on intercultural and scientific matters
